

## Government House Grounds Special Event Photography Agreement

- **Bookings for Photography are for one hour only.** *As there may be another special event booked ahead of yours, please do not arrive any earlier than 15 minutes before your booking. As there may be another party booked after yours, please ensure that you finish up and leave the grounds after your one-hour session.*
- **Coach style vehicles or large buses are not permitted on the grounds.**
- **There will be NO alcohol permitted on the grounds of Government House.** If the Commissionaire observes anyone with alcohol or engaging in inappropriate behavior, the Commissionaire **WILL** ask the entire party to leave the grounds immediately.
- **Smoking is not permitted** on the grounds.
- Upon arrival, please check with the Commissionaire at the Security Post, who will direct you and your party where to park and the area that the photography will be taken. Please stay in the designated area for Photography.
- **Photos will not be permitted at the main North facing entrance (carport area).**
- **You will be responsible for all of your guests while on the grounds of Government House.**
- **There is no public washroom available** on the grounds.
- **There will be no special event photography taken on the grounds of Government House unless it has been pre-booked with the office.**
- Please remember that **Government House is the official residence of the Lieutenant Governor and spouse**, we ask that you respect the grounds while visiting them.
